Legal Context Awareness

Legal Compliance Services Division

Legal Compliance Services

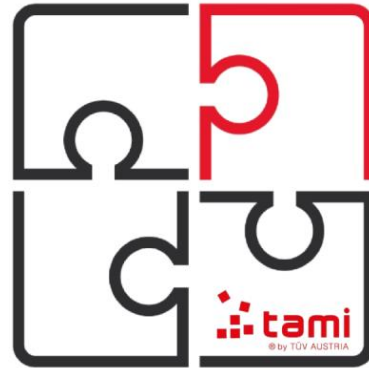

Legal Compliance:

Awareness, adaptation, and compliance with the legal and regulatory framework and environment.

Our logo...

Legal
Compliance
Services

Legal compliance is not only an obligation but also a **philosophy** within the management of any organization.

It is essential to ensure the awareness of all employees, serving as a standard of corporate culture and simultaneously enhancing the credibility of an organization.

Legal Context Awareness

We address...

ALL businesses, regardless of their size or industry.

Legal Compliance Register:

Comprehensive registry of applicable legal and regulatory framework.

Info & Alert:

Continuous updating of the legal compliance registry and timely and accurate **regular** and **ad-hoc** updates for the organization.

Customized Indexing:

Customized indexing tailored to the business needs..

Add on: Legal Compliance Audits & Reporting

Conducting on-site inspections to assess the company's compliance level with the current regulatory framework.

Tailored support and information on:

Food and Beverage
Hygiene and Safety

Environment -
Energy

Industry - Businesses

Health and Safety

Audit on a national and European level.

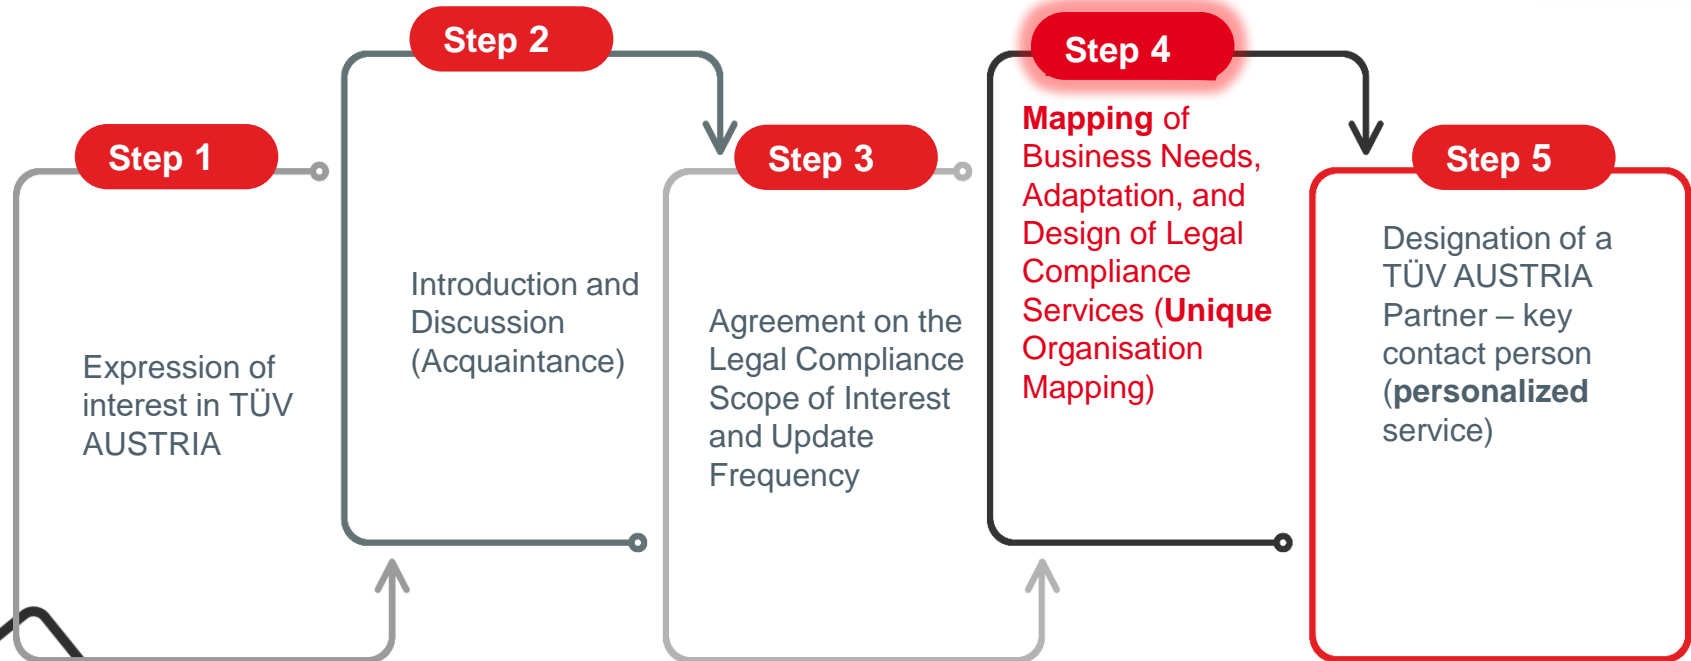

...and/or specific legislative framework at an international level.

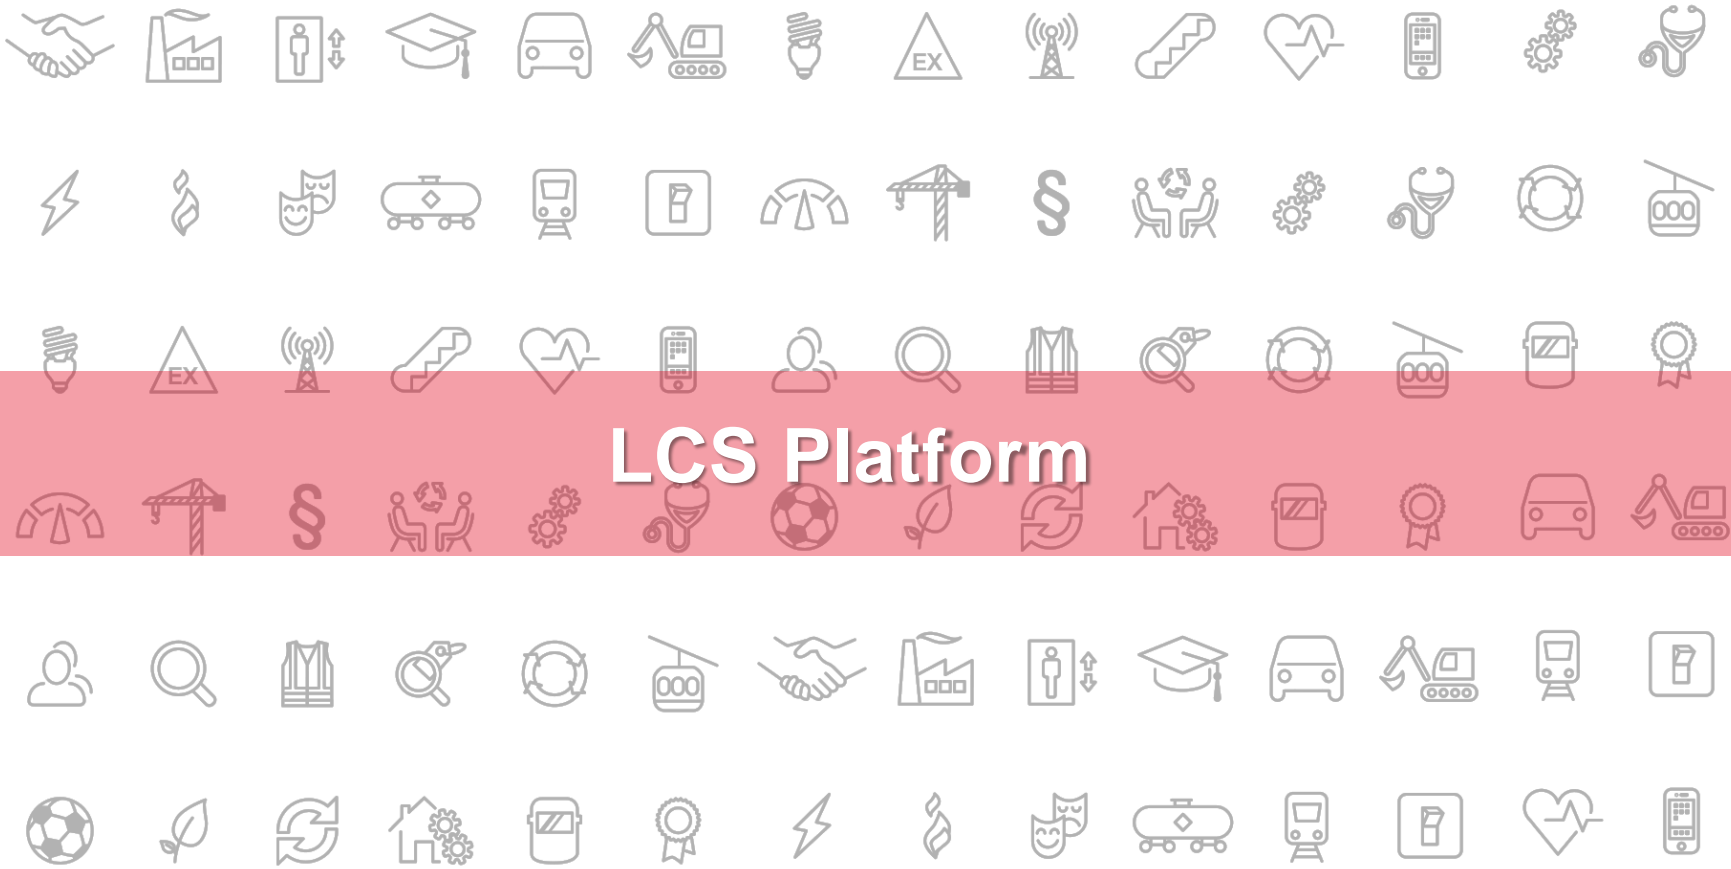

Levels of Legal Compliance Services

The option to choose the level of collaboration through three different tiers (Core Level, Advanced Level, Premium Level) ensures maximum coverage of needs across various business sectors.
